*Dear Sponsors and Friends,*

*"We always thank God, the Father of our Lord Jesus Christ,  
when we pray for you..." Colossians 1:3'*

*— The Apostle Paul was thankful for the many Christian brothers and sisters he had encountered during his missionary trips. They had served as invaluable prayer partners and financial backers for him as he was engaged in his God-given task of reaching the World for Christ. I also have reason to be thankful to God for so many wonderful sponsors and co-workers who are helping to support this ministry to the poorest and most troubled country in the western hemisphere, Haiti.*

*Since the beginning of March, I have been able to travel to Texas, Grand Cayman, Pennsylvania, New Jersey, Ohio, and Indiana bring the good news of how God is blessing Haitians by the ongoing work of this missionary endeavor. I have been warmly received and encouraged by many loving and caring Christians. We were able to fellowship and to take time to Thank and Praise God for His many blessings.*

*During this period I have secured sponsorship for an additional forty (40) school kids. This will enable two additional Christian schools to function this coming school year. As I have shared while I was among you, I believe very strongly that the key to Haiti's liberation from poverty, ignorance, and superstition is through child evangelism. This is accomplished through providing badly needed funds to operate Christian schools which educate the kids thereby assuring them a place in their society AND to introduce them to Jesus Christ. Only half of school-age children are able to attend school, and only fifteen percent of teenagers are in a high school.*

*(continued on back)*
